

Moving time

Published: January 15, 2026, 6:34 pm

The blog might be quiet for a few days.

Tax Research LLP is moving today. The hope is that BT will get broadband on at the new office as soon as possible. But we'll have to see. They say it can take 15 days.....and we only exchanged contracts on Tuesday.

I'll be back as soon as soon as possible.

For the record, as from Friday, Tax Research LLP is at:

The Old Orchard
Bexwell Road
Nortonham Market
PE38 9LJ
UK

And the new phone number (available from 30 August) is 01366 383500
