

## The next couple of weeks

Published: January 15, 2026, 7:37 pm

---

The blog is going to be a bit light over the next couple of weeks. And my reactions may also be delayed on occasion. But sometimes one has a duty to give some time to one's family. This might just be one such occasion.

For that reason post's may be a bit less topical, and a bit more on some of the background thinking that underpins the ideas that this site seeks to explore. I hope they're of interest.
