

Land tax

Published: January 15, 2026, 3:08 am

I've never been convinced that land taxation is the ultimate solution to the taxation problem, although I am aware of the [Georgist view](#).

But I do believe land taxation is important. I also happen to believe it should be progressive, unlike our existing council taxation.

Ashley Seagar discussed some of the issues in the [Guardian](#) a couple of weeks ago. It's worth looking at.
