

## Swiss banking secrecy is being challenged again

Published: January 15, 2026, 1:26 pm

---

Swiss banking secrecy [is being challenged again, this time in the United States.](#)

Quite right too. The argument that it had anything to do with the Jews is, thankfully, fairly laid to rest here.

Swiss banking secrecy was created to facilitate tax evasion. That is the beginning and end of it.

That's why it also has to go. ☐☐☐
