

Europe gets tough on offshore bonds

Published: January 13, 2026, 8:43 am

[Europe gets tough on offshore bonds - 9 April 2009.](#)

The amendments I've been helping promote to the EU Savings Tax directive are winning support and are going ahead.

The loopholes are closing as a result - and ignore all the financial services whinging here - this change is essential to prevent the abuse that happens now and would continue into the future without real change.
