

HM Revenue & Customs: Reporting Tax Evasion

Published: January 14, 2026, 1:20 am

[HM Revenue & Customs: Reporting Tax Evasion.](#)

There's a new web facility for reporting tax evasion to HMRC, which I welcome.

Bizarrely though you have to complete the whole form in 15 minutes or you are timed out.

That will challenge anyone given what is asked for.

I just don't see the reason for the time limit.

Memo to HMRC: please increase or delete the time limit.
