

Jersey Evening Post - A rotten apple

Published: January 13, 2026, 6:32 am

[Tax Justice Network: Jersey Evening Post - A rotten apple.](#)

Our advertisers remain dedicated to providing world class secrecy to the rich elites of other nations, and in our capacity as the only newspaper in Jersey we will maintain our tradition of ensuring that no-one understands what the offshore banking industry actually does in Saint Helier.

John Christensen hits the spoof trail, really rather well.
