

## Storm over tax 'amnesty' security checks

Published: January 16, 2026, 8:24 am

---

[Storm over tax 'amnesty' security checks - Tax, Money - The Independent.](#)

Storm?

Come on - actually a form trying to make excuses as to why the amnesty should not work.

So one or two names will be listed that should not be. Yes, that's an issue. And at some time in the future they may get a letter asking why they have not followed up. To which the answer will be a copy of this article.

This storm fails to make tea cup status.
