

The Sun is backing the Tories

Published: January 13, 2026, 9:01 am

No [surprise there](#).

I was a little surprised to get a mail form them telling me so. They have never mailed me before.

I didn't know they needed their message on this blog, but apparently they do.

Weird that the printed media now has so little faith in its own ability to deliver its message that it wants blogger's support.
