[The tenth best beach in the world →<sup>a</sup> News →<sup>a</sup> This Is Jersey.](#)

Yes, this is a Jersey story because some think I only feel negatively about the place.

I don't. So try this:

*PORTELET has been voted one of the top ten beaches in the world.*

*The St Brelade beauty spot was ranked alongside palm-lined tropical paradise beaches in the Maldives, Hawaii, Cuba, Fiji and Thailand by holiday agent Sky Travel.*

*It was the only place in Europe to make it onto the list.*

There is good news.
