Want to know where part of the incidence of the Robin Hood Tax will fall? The Mail notes:

*Up to 10,000 City bankers are in line for pay packages of more than £1million, thanks to super-size bonuses, experts said yesterday.*

*Detailed forecasts being used by major banks suggest that a quarter of their investment bankers will be rewarded with £1million average pay packages, senior City sources have told the Daily Mail.*

That's where a large part should fall.
