

Switzerland is leaking

Published: January 13, 2026, 5:51 am

[Germany leaning towards purchase of stolen bank data \[REDACTED\]- swissinfo](#)

Selling details of Swiss bank accounts looks like becoming a regular pastime in the Alps

The Swiss are angry at the Germans but the Germans are the aggrieved party

What sort of mentality is it that the Swiss have that lets them get so annoyed at the discovery of the crime they facilitate?
