---

[Election 2010: Liberal Democrats promise tax avoidance crackdown | UK Politics | guardian.co.uk](#)

I take quiet satisfaction in noting the Liberal Democrats say this.

I know Vince Cable's copy of [The Missing Billions](#) is the best thumbled I've ever seen.

I'm not claiming to have written the Lib Dems strategy - far from it. But I think I and those I've worked with have had a massive impact on it.

And rightly so. This is the right policy at the right time.
