[Tesco resurrects online VAT dodge from Channel Islands | BBC Business | BBC The Guardian](#)

[Tesco](#) has quietly returned to a [multimillion-pound Channel Islands tax dodge](#) four years after the authorities in [Jersey](#) banished the supermarket group's VAT-free CD and DVD website from the island, accusing Britain's largest retailer of operating a "sham" selling structure that brought the [Channel Islands](#) into disrepute.

Guernsey and Tesco - tax avoiders that suit each other as both seek to undermine the tax base and the rule of law in the UK.
