[BBC News - Block on dissolving parliament is an outrage - Adonis.](#)

As the BBC notes:

The Lib Dem-Tory plan will mean that 55% of MPs must approve such a move to get it through the House of Commons.

This changes the entire basis of operation of the UK parliament.

No longer is a majority enough.

No referendum.

No consultation.

Just the dismantling of democracy as we know it.

That's the Tory aim.

That's what they're delivering.
