

If Europe is heading us into another economic crisis wo...

Published: January 15, 2026, 12:49 pm

The Tories are on the margins of European politics.

Allies of homophobes, xenophobes and anti-semites they are a laughing stock on the international stage, rightly seen as a bunch of little boys.

Sorry if crisis is coming back I want Brown, Darling and Cable in charge

But I do want them to be broadminded.
