

Jersey's printing money

Published: January 13, 2026, 5:40 am

[New pounds in your pocket →^a News →^a This Is Jersey.](#)

Jersey is issuing £20 million of new notes.

I could make a cheap jibe that this is one way for it to solve its economic woes.

But I know that in practice it can only do so with reserve backing for gthe notes issued.

But it was tempting....
