

## Is it just me?

Published: January 13, 2026, 1:55 am

---

Is it just me who thinks Labour has said more in the week since Ed Balls has been shadow chancellor than it did in the eight months since the election?

Suddenly Labour spokespeople are popping up with a new confidence.

Of course it could be the open goal the Tories are offering. But it feels like something more than that.

I hope so.
