

## The real explanation of Project Merlin

Published: January 14, 2026, 8:56 am

---

Too good not to repeat: a comment left here by Paul to whom the hat tip is offered:

*Interesting title 'Project Merlin'*

*As I remember it Merlin summoned forth a monster (finance) to restore a rightful order (feudalism/neo liberalism) which then foundered on a grail quest (the big society) and human frailty (elite criminality) and left the land in darkness.*

Looks like a plausible explanation to me.
