

What will Cayman do without Anthony Travers - the man w..

Published: January 13, 2026, 10:30 am

Anthony Travers OBE, the head of Cayman Finance [has resigned after two years in the job.](#)

What will we do without him? And how will Cayman survive without the man who described [me as the head of the 'tax taliban'](#) and Nick Shaxson as having ' the understanding of an 11-year-old'?

Shall we have such fun in the future? I doubt it. He will be missed.
