

A good day to close down some websites

Published: January 13, 2026, 2:29 pm

Whilst lots got excited by the royal weeding more than 50 Facebook pages were shut down against their owners will.

So much for freedom of speech in this country. Do you note any right wing ones in there?

It was no doubt 'a good day to do it'.

It's a bad day for democracy as a result.

But I guess it was always going to be that, so they decided to rub it in.
