

Wrong choice - war in Libya more important than good sc...

Published: January 13, 2026, 7:54 am

As the [Guardian reports](#), the cost of the war in Libya is likely to be at least £1 billion.

But [schools can be allowed to go to the wall](#).

Which is great in a town like the one where I live - where the nearest alternatives are 10 or more miles away.

This government is not just bad, it's mad.
