

## A note to commentators

Between midday and midnight yesterday something like 40 comments were posted on this blog.

Some I truly appreciated.

Many were nit-picking irrelevance.

I suspect 95% or more passed moderation, but at that rate of commentary I am challenged to rebuff so much of the rubbish - and without saying it's wrong I don't want it on my site

So I may have to apply the moderation policy more strictly if that rate continues.

I apologise, but only a little, in advance. As ever, those making serious contribution have nothing to fear!
