

Above and below the line

Published: January 13, 2026, 3:26 pm

As I mentioned recently, I have begin a blog on Forbes.

The first blog - with the above title (which is also that of the blog itself) [is here](#).

The themes will mainly be accounting related - because that's fallen a little by the wayside here and still needs a lot of attention.

And it's open to comments, of course. Which will, no doubt, please some.
