The **All Party Parliamentary Group on Economics, Money and Banking** cordially invites you to a panel discussion on

## **The Future of Political Economy**

with

**Richard Murphy**, Blogger and author of 'The Courageous State: Rethinking economics and the role of government' (forthcoming, 2011)

**Dr. Mark Pennington**, Reader in Public Policy and Political Economy, Queen Mary University of London, author of 'Robust Political Economy: Classical Liberalism and the Future of Public Policy' (2011)

**Jesse Norman MP**, author of 'The Big Society' (2010)

**Whose ideas will direct the future?** Our three speakers are eminent spokespeople for specific traditions and experts in their fields. Classical liberalism, the Big Society, and alternatives from the Left will all be discussed.

**Committee Room 16, House of Commons**

**Wednesday 6 July 4:00 — 5:30 p.m.**
