

Where were the auditors at News International?

Published: January 13, 2026, 12:01 am

It looks like the Business model of a major News International subsidiary in the UK was corrupt.

Where were [the auditors, Ernst & Young?](#)

What did they have to say?

Or was it all 'immortal'? It doesn't look that way now. And an auditor does have a duty to review the legal environment in which a company operates and its compliance with it.

Just a thought.....
