

Osborne to split the economy in two

Published: January 15, 2026, 8:19 am

George Osborne is a man to follow a trend.

Kraft has announced today it is [splitting the company in two](#).

George Osborne will be following suit tonight.

He's going to announce he's splitting the economy in two.

There's going to be a large part for the rich and a small part for everyone else.
