

The friends of tax havens are delighted with the Swiss ...

Published: January 12, 2026, 11:48 pm

The [Sovereign Society](#) like the UK-Swiss tax deal.

As regular promoters of tax haven abuse their endorsement (and the endorsement by Swiss bankers they quote) is sure indication that the Swiss and all who support tax haven privacy that permits tax evasion are sure they have pulled a fast one over H M Revenue & Customs, as unfortunately it has to be conceded they have.
