

The law doth punish feral youth

Published: January 17, 2026, 7:22 am

[This was posted as a comment](#) on my blog by some using the name Juggzy Malone. It seems original and as poetry works for me I thought it worth reposting:

*The law doth punish feral youth
Who take to the streets to steal the goose
But lets the greater thieving pass
The tax avoidance by the monied class.*
