

I should be careful what I ask for: sometimes HMRC act ...

Published: January 14, 2026, 8:31 am

A few months ago people asked me for examples of people who might be moonlighting.

One of the examples I gave was private tutors - cramming children to get their GCSEs.

This was met with howls of derision.

[Now HMRC are targeting them.](#)

I should careful of what I ask for. Sometimes HMRC listen.
