

## The Tea Party debate: leave the sick to die

Published: January 15, 2026, 1:55 pm

---

This [comes from the CNN Tea Party debate](#).

When Senator Paul is asked if a 30 year old without health insurance should be left to die because he did not have a health insurance policy the audience yells "yes" and the Senator says this is what freedom is all about.

Be sure that within five years the Tories will be saying the same thing here.

No, make that three years.
