This is from the USA:

The reality is that similar choices have been made in the UK.

That's why the top 1% of income earners in the UK have the lowest overall tax rates in the UK.

That's why it is absolutely right to say that inequality is a choice.

It's the choice George Osborne has opted for.

It's why the Tories don't deserve power here nor the Republicans in the USA.

We have the choice to stop inequality. It's one we need to make.
