

Passport tax

Published: January 14, 2026, 3:52 am

I was asked yesterday for some links on the issue of a passport tax; that is a system where UK citizens should pay tax on their world wide income. I remain an enthusiast for such arrangements.

One [link is here](#).

But the best version might be in the TUC's document on this issue - admittedly written by me, [linked from here](#).

The time for this may not have come as yet, but I think it will.
