

## Why Labour delivered prosperity and the Tories won't

Published: January 13, 2026, 5:51 am

---

If you want to know the difference between Labour and Tory governments this is it:

Labour made good the failure by the Tories to invest.

Now the Tories are failing to invest in our future, again.

And the result will, inevitably, be recession.

Data from HM Treasury budget reports: forecast data from June 2011 budget. GDP data from HM Treasury, October 2011.
