

Today, in Norwich

I'm in Norwich much of today.

I'm speaking in the students union at the University of East Anglia at lunchtime (12.30 start, room 1.28).

Then at [3.00 I'm at The Workshop in Earlham Road](#).

At 5.00 I'm at Occupy Norwich, [speaking before the 5.30pm march to Norwich Castle](#) to celebrate [Kett's Rebellion of 1549](#).

And finally I'm speaking at the Norwich Green Party dinner tonight.

Blogging may be quiet.
