

The Four Horsemen are coming

Published: January 12, 2026, 11:22 pm

I filmed for [The Renegade Economist](#) yesterday.

They've just released a trailer for their new film - The Four Horseman

<http://www.youtube.com/watch?v=wLoB1eCJ93k>

As [they say of the film](#):

We will not return to 'business as usual'. The Four Horsemen is an independent feature documentary which lifts the lid on how the world really works.

This won't be the last plug I give it.
