The Taxcast - a new podcast from the Tax Justice Network

Published: January 14, 2026, 10:51 pm

The Tax Justice Network has just launched a new monthly podcast - The TaxCast.

In each 15 minute show, TJN will be discussing the latest news relating to tax evasion, tax avoidance and the shadow banking system.

In the inaugural TaxCast the implications of the Vodafone vs India landmark tax case are discussed (by me), TJN compares Bill Gates and Mitt Romney's attitudes to taxation whilst TJN visits the Occupy camp outside St Paul's Cathedral in London.
