I received the following, somewhat amusing email from my local MP, the far-right Tory Liz Truss, today. I reproduce it as I got it:

**Elizabeth Truss MP**  
*Member of Parliament for South West Norfolk*  
The Limes  
32 Bridge Street, Thetford, Norfolk IP24 3AG

Dear Richard,

Thank you for contacting me regarding fairer taxation and EDM 2501.

I do not sign EDMs as I believe they are ineffective and waste tax payers money. I understand the widespread concern about tax avoidance and evasion but I believe the Government has already taken the steps necessary to end these unfair practices.

Best wishes,

Elizabeth Truss MP

Good for George, eh? Tax avoidance and tax evasion both beaten already.

My life work's over! I can sleep easy tonight and tomorrow wonder what else to do.

Gardening anyone?
