

Tax Justice Network is an international mover and shake...

Published: January 13, 2026, 5:28 am

The publication Transfer Pricing Week, a reference for many in the field of transfer pricing, [has cited](#) TJN and ActionAid among the top five leading forces in the field of transfer pricing, an area of central importance when it comes to taxing multinational corporations. The OECD and the accountancy firm PWC were, unsurprisingly, at the top. ActionAid, with its excellent and influential report on SABMiller in Africa, came third.
