

Funding the Future

I'm overdue to post this talk from TED - the one they b...

[Go here to watch the video TED banned](#) - because they didn't like the idea that tax cuts for the rich do not create jobs.

Which is true.

But is contrary to the article of faith that underpins the right wing tax narrative.

PS - Tim Worstall [didn't like this talk](#) - which is a sure sign Nick Hanauer got things right.
