Spain [is to get €100 billion to bail out its banks.](#)

That money has come out of thin air. [See here for an explanation.](#)

It has come at cost to no one.

But there is still a question to ask.

If we can do this for banks, why can't we do it for the unemployed?

Answers on the back of a €10 note to me at the usual address please so I can pass them on to those who need them. :-)
