

Mark Morris and the European Union Savings Tax Directiv...

Published: January 15, 2026, 5:11 am

The German Bundestag is to hold an official [hearing](#) on September 24th on the pros and cons of the Swiss tax agreement.

The [English version of Mark Morris' paper](#) is posted on the [Bundestag website along with all the other expert testimonies](#).

Worth a read: this and other papers will, I hope, kill Rubik for good, at least in Germany.
