

Greece, tax evasion and what to do about it

Published: January 13, 2026, 6:21 pm

I'm speaking on this subject this afternoon at 5pm at Athens Concert Hall in a meeting organised by the Socialist and Democratic group in the EU parliament.

As usual, I will not be speaking to a script. That's not my style. But I have thought about what I might say: that's also my style. My speaking note looks something like this (click on it for a bigger version):

Start at 1 o'clock and work round to read this.

I would add that it may come out nothing like this.
