

# When are the new tax gap figures coming out HMRC?

Published: January 15, 2026, 8:29 am

---

HMRC has published [tax gap figures](#) in September for the last three years.

There's been no sign of them as yet this year.

Could that be because they're really horrible and the Revenue don't want to embarrass George before the Tory conference?

Just wondering.....

PS They will be horrible - much worse than last year. It's inevitable: the VAT rate went up
