

## November's Tax Justice Network Taxcast is out

Published: January 14, 2026, 10:39 am

---

In November's Tax Justice Network Taxcast: is it the beginning of the end of tax avoidance for multi-national corporations? Some countries fight back.

And the Finance Curse - why an oversized finance sector's bad for an economy. A special extended edition.

More Taxcasts [are available here](#).
