

Transfer pricing: the ten minute video briefing

Published: January 13, 2026, 12:56 am

I've been spending much of my day teaching journalists and others about transfer pricing.

In case others are interested this is a video I made on this a few years ago. It's only an unscripted web cam film, but I still think it works and 13,000 people have watched it, so let's give it another roll:
