

Why do Zambian miners pay more in tax than the profitab..

Published: January 13, 2026, 5:03 am

Have you heard about the miners in Zambia who pay more tax than the multi-national mining company they work for?

How do these corporations get away with it? And how does it affect life for ordinary Zambians?

This is a special report from the Taxcast, the monthly 15 minute podcast from the Tax Justice Network. For more [Taxcasts with news and analysis of events in the tax haven world, go here](#).
