

Funding the Future

Normal service will be resumed

Published: January 13, 2026, 2:31 am

I am very bad at admitting I am under the weather.

And worse still at resting.

But today I have to give in and go to bed. When typing feels painful it's time to accept that I need the day off.

If I don't moderate blog comments are respond to anything else please accept my apologies in advance.
