The January Taxcast: listen now

Published: January 13, 2026, 1:29 am

The January 2013 Taxcast from the Tax Justice Network is out. In this month's edition: A significant ruling against Dell in Spain, India shelves rules that would have tackled corporate tax abuse until 2016, the EU threatens to blacklist Switzerland and we take a look at 'Google Capitalism.' (An extended edition to kick off 2013 - just under 20 mins)
