

Funding the Future

The February Tax Cast from the Tax Justice Network, out...

Published: January 15, 2026, 2:20 pm

In February 2013's Taxcast: Transparency for French banks, taxing the digital economy aka how to worry Google and Amazon, G8 leaders talk up reform of the global tax system - but will they walk the talk? And...it is a bird? Is it a plane? No! It's the OECD. Some of all that by me.

The Taxcast takes a closer look here
